Rikan is a leading manufacturer and supplier of luxury amenities for the hospitality industry. Supplying both hotels and restaurants in the region for more than three decades, Rikan employs more than 300 people across four manufacturing units in India and operates offices in Dubai, Bombay and New York. The company supplies to 800 hotels worldwide and is a market leader in the UAE and across the Gulf. The Rikan range includes all types of leather folders and accessories for rooms; metal and resin bathroom accessories such as amenity trays, soap dishes and tissue boxes. Rikan also offers a wide range of F&B and banqueting items for buffet display and service in stainless steel, wood and natural stones. Rikan also designs and manufactures exclusive menus and other F&B items. Rikan's core strength lies in its strong research and development team that helps convert the hotelier's imagination into reality by designing and creating not just beautiful, but also user-friendly, products.
